1 Ranked Retrieval

2 Advanced IR Feature

In your report file, create a heading “Advanced IR Feature”. In this section, you should explain:

- Your chosen advanced IR feature. This must include a clear description of what you are aiming to achieve. You must include a reference to at least one research paper that you have referred to as part of your design.
- A detailed explanation of how you implemented the feature. This section should be no longer than one and a half pages.
